Report of an experiential learning program organized under the banner of ISTE Faculty Chapter on Out Bound Program

For the purpose of quality improvement of the faculty members of SVIT, VASAD an experiential learning program was organized on 17th January, 2020. This program was organized at Dev Camp Resort property, very beautiful and picturesque environment having natural greenery and lush green surrounding. About 31 faculty members enthusiastically participated in this program.

This outbound program was planned for whole day duration which focused on following aspects to be strengthened in the participants:

- Team Building & Coordination
- Successful Leadership

- Effective Interaction with different level Human beings
- Positive Mindset
- Work Ethics & Appreciation

This program was completely activity based which demands team work, intellectual involvement, physical strength, presence of mind, coordination, accuracy with speed and many more abilities. Program was conducted by a team of six experts from Acumen 360°, a corporate trainer and HR service provider.

This is to bring to your notice that the whole program including hospitality and training at Dev resort camp property was completely sponsored by Acumen 360°.

We extend our sincere thanks to SVIT management, Principal and Heads of Department to permit our participation in such activity based learning program and making each individual to come out of routine work and get a chance to refresh and recharge.

Dr. K .R. Bhatt welcome and honored the experts' team with Mementoes. All administrative task has been handled by Prof. Nisha Shah. ISTE Faculty chapter team is very much thankful to the SVIT Management, Principal and admin staff for their cooperation and financial support to make event successful.
